

Steel Toe Safety Shoes Alternative

Women's and Men's Safety Shoes, Light Weight Slip on Covers from OSHATOES

OSHATOES steel toe overshoes are the perfect safety shoes alternative for men and women, workers, plant visitors, temporary workers, management, clerical staff and salesmen. OSHATOES steel toe slip on shoe covers can be passed from person to person without concern for hygiene or size restraints. Our OSHATOES steel toe slip on covers can be comfortably worn over street shoes, sneakers and most boots.

EACH OSHATOE MEETS OR EXCEEDS THE FOLLOWING REQUIREMENTS

ASTM F 2413-05

ANSI Z41PT91 for Class 75 | ASTM F 2412- 05 - Class 75 | CE

If your company requires workers to provide their own steel toe safety shoes, steel toe boots or steel toe work-boots, OSHATOES are suitable as a permanent steel toe shoes alternative. OSHATOES are made of 100% PVC and are designed to fit snugly over existing shoes, providing a solid steel cap to protect the toes against accidental crushing or stubbing.

OSHATOES steel toe rubber safety work shoes are a safe and comfortable safety footwear foot protection alternative.

OSHATOES have been successfully tested to the highest standards required by toe protection regulations.

OSHATOES conform **with EN345 200 Joules and are accepted by O.S.H.A, the Occupational Safety and Health Administration of the United States Department of Labour.**

OSHATOES are light weight and comfortable safety toes.

OSHATOES are quick and easy to put on and take off.

OSHATOES are compact and can be easily stored.

OSHATOES are used by many major companies across North America as a standard plant safety steel toe shoe alternative.

OSHATOES are available in 6 standard colour coded sizes enabling easy identification and storage.
